Fantastic home delivery menu
Beautiful food, freshly cooked & delivered to your door.

Chadwick & Co, located in Barker and Stonehouse's Teesside Park store, will be cooking up comforting favourites for those social distancing and self-isolating, following measures by the Government to reduce the potential transmission of coronavirus (COVID-19).

The popular eatery will be serving up oven ready, cooked food in single units or batches, ready to reheat on the day, refrigerate or freeze, along with all the extra delights its well-known for including flatbreads, sourdough, mezze dips, pickles, sambals, and freshly baked cakes and deserts.

Owner Daryl Chadwick was the driving force behind the idea. He said: "We're committed to providing the very best service during these uncertain times and supporting our local community, including those most vulnerable who are unable to leave their homes.

"It'll be a shame to not see our regulars in store including many of our older customers, where a trip out for a cup of tea and a slice of cake can be a big part of their day/week. That's why we're determined to do everything we can to help.

"We'll also be ramping up our baking and offering freshly baked bread and cakes as well as ground coffee, local eggs, milk and other basic household goods to deliver to elderly people who can't make it to the shops."

Already proving popular among regulars, deliveries of its takeaway menu cover Stockton, Yarm, Wynyard, Norton, Billingham, Middlesbrough and other surrounding areas, with a minimum food order of £30.

Orders can be made by telephone on 01642 757800 or via text to 07729 909567 and customers will be given a morning or afternoon slot.
