

Acacia– Sofa Range

Specification

- Firwood, Engineered wood and Masonite frame
- Screwed, glued and stapled joints
- Webbed seat and back suspension
- Foam and layered fibre filled seat and back cushions for a supportive sit
- Iron feet with a dark bronze finish, can be removed for ease of delivery
- Seat height 44cm, seat depth 64cm

This range is available in many different hides, each with unique characteristics including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use.
