

Amos – Dining Range

Specification

- Engineered wood and oak veneer is used throughout this range to create a rustic look.
- Finished in an Espresso Brown Lacquer.
- Legs are finished in a matte black and constructed from metal.
- Features include metal runners on drawers with a push to open mechanism.
- Cabinet doors have been fitted with a soft close mechanism for a smooth and seamless close.
- Dining table extending leaf is stored within the centre of the table and can extend to seat up to six people.

We recommend the use of coasters and placements to protect table surfaces, please do not place hot dishes directly on the surface and ensure you wipe spill immediately.
