## HERODES

T-HEO-LP-0002-U

Named after the Roman king, Herod the Great, the Herodes pendant is grandiose in both stature and drama. This spectacular floating halo of sparkle and shimmer is handcrafted from a circular iron frame, covered completely by tightly packed rows of prismatic baguettes. Each prism is made from optical grade glass, clearer and lighter than crystal, theatrically bouncing the light in every direction for show-stopping glamour.
