

Selvaggio– Sofa Range

Specification

- Frame is made from solid wood. All key joints are securely screwed, stapled & glued with water based, formaldehyde free glue
- Upholstered in faux leather, available in a range of neutral colours to suit your décor
- Cushions are foam filled for long-lasting comfort
- Spring and webbing suspension in all cushions
- Medium firmness
- Finished with raised tapered legs to create a more spacious feel
- We recommend professional care only

This range is available in many different hides, each with unique characteristics including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use.
