

Strauss– Sofa Range

Specification

- Spruce, engineered wood and multilayered panelled frame
- Polypropylene and natural elastic belts on back and rings on seats
- Polyurethane foam (35kg/cbm) seat cushions
- Fibre filled back cushions
- Wooden feet in wenge finish
- This range offers static, manual and electric recline options.
- Regularly plump all cushions to maintain performance. Please refer to the care and commitment leaflet for further details.

This range is available in many different hides, each with unique characteristics including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use.

Sofa
Standard (2334-3SM MAN)
