

# Tristan, Ellis and Elliot – Sofa Range

## Specification

- All chairs have Rubberwood rail and plywood panel frames. Screwed, glued and stapled
- Seat suspension comprises zigzag springs and a firm front edge. Seat cushions are foam and fibre filled with feather wrap
- Back cushioning is made from 90% fibre and 10% feather mix
- Foam with fibre back seat cushions
- 100% fibre back cushions and scatters
- Each Tristan piece is finished with metal feet, available in a black or gold finish
- Please note, scatter cushions are not included but are available at an additional cost, please contact our sales team for further details
- The Ellis and Elliot Armchair comprises foam and fibre cushioning to the seat and back, as well as zigzag springs within the seat suspension

*This range is available in many different hides, each with unique characteristics including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use.*
