BOSTON

T-BOS-TD-0001-C

The distressed Aero aluminium top gives a modern twist to this classic dining table, combining a solid architectural shape with unexpected materials for an added visual dimension. The chunky base is handcrafted from Genuine English Reclaimed Timber with a rich storied past, de-nailed, hand finished and reinvented for casual, relaxed dining.

The Boston dining table also comes clad completely head to toe in Aero aluminium, hand-distressed with small dents and scuffs added for a more industrial feel, or finished purely in salvaged wood for warm and welcoming entertaining.
