

Cavalli– Sofa Range

Specification

- All key joints are securely screwed, stapled, and glued with water based, formaldehyde free glue.
- Comprising a solid wood frame and wrapped in leather.
- Suspension is made up of spring and elastic webbing.
- Foam filled cushioning providing optimum comfort and support.
- Available in over 40 leather fabric options.
- Slim style metal feet provide a sturdy and secure base.
- Featuring a reclining function for easy relaxation.

This range is available in many different hides, each with unique characteristics including scars, grain variation, and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use.
