- High tensile zig-zag suspension with sprung front edge
- Seat cushions are filled with high quality blown fibre
- Standard backs filled with high quality blown fibre
- Pillow backs filled with 100% dequilled duck feathers in a thick cambric case
- Scatter cushions filled with 100% dequilled duck feathers in a thick cambric case
- Solid hardwood feet

This range is available in many different hides, each with unique characteristics including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use. Regularly plump all cushions to maintain performance. Please refer to the care and commitment leaflet for further details.
