

Michigan – Sofa Range

Specification

- Firwood, Engineered wood and Masonite frame
- Upholstered in Dakkar Leather with Grand Outback Leather seat cushions, back cushions and inner arms
- Webbed seat suspension
- Foam covered elastic webbing back suspension
- Fixed foam and layered fibre filled seat and back cushions for a supportive sit
- Iron feet with a dark bronze finish and plastic supports, removable for ease of delivery

This range is available in many different hides, each with unique characteristics including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use.

Regularly plump all cushions to maintain performance. Please refer to the care and commitment leaflet for further details.
