PROFESSOR

T-PRO-SA-0017-B

A Timothy Oulton classic, the Professor chair features a rounded back reworked and extended, and lowered arms for a refined, sophisticated look. Available in a multitude of leathers and fabrics, the Professor offers amazing comfort due to its clever contouring. The smaller proportions work perfectly in any entry hall or bedroom.

In all leather finishes, the seat cushion of the Professor chair is upholstered in vibrant woven Kilim on the reverse side. In all linen or velvet finishes, the seat cushion is upholstered in matching fabric.
