

Wallis– Sofa Range

Specification

- Solid wood and plywood frame
- Available in a range of Leathers and Fabrics
- Elastic webbing seat and back suspension
- High resilient foam and Dacron fibre cushioning
- Modular armed pieces available with a left and right arm option
- Available as static, manual or electric recline, (armless and corner units only available in static)
- Electric reclining models require a power source and feature a USB charging port

This range is available in many different hides, each with unique characteristics including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use.
